## SANTA CLAUS WILL HAVE A BUSY DAY

### ANOTHER KIDLET SENDS A MESSAGE TO THE BENEVOLENT OLD GENTLEMAN

With a world of kisses denoted by circles and crosses on the envelope, and at the conclusion of the letter, the following missive was placed in the Tonopah postoffice, directed to Mr. Santa Claus. Of course the letter was placed in Bill Evans' box, for the chief is apparently officiating as the local representative of Kris Kringle. Following is the contents of the letter, following punctuation and orthography exactly. Sure, the letter will be sent to the real authority and a response will be received:

My Dear Santa Claus I am writing you a letter to tell you what I want a Baby brother, and I want a Teddy Bear, and I want a stove, and I want a doll, but Dear old Santa if you will please bring me a baby, if you can't bring me a brother, bring me a sister.

dear Santa my name is  
 box — Tonopah, and don't get me my Dear O O O O O O O

### WILL ERECT MILL AT THE OKLAHOMA MINE IN SPRING

Col. Tom Ewing returned yesterday from a trip to San Francisco. Several weeks ago he took 1,100 pounds of low and medium grade ore from the Oklahoma mine, which he had worked out by the Vandercok system, at the California Extraction company. The ore was divided into three equal parts, one of which gave returns of \$79.42 in gold, being within one per cent of the assay, and the other \$35.41, saving 98.7 per cent of the values, says the Silver State.

Col. Ewing left for the mine today and upon his arrival will put an increased force of men at work. As early in the spring as weather conditions will permit, one of the Vandercok system mills will be built on the property.

### THANKSGIVING DINNER

## ROW IN SILVER CAMP LEADS TO LIBEL SUIT

### EDITOR BOOTH STANDS PAT, AS USUAL, AND DEFIES THE ALLEGATOR

The controversy at Tonopah between Editor W. W. Booth of the Bonanza on one hand and District Attorney Sanders and the county commissioners on the other, appears to take on new interest every day, says the Goldfield Tribune. Editor Booth was twice arrested in one day on charges of criminal libel, but this morning he was reported still at large and more defiant, if possible, than at any stage of the proceedings. Mr. Booth charges, in effect, that the district attorney is influenced by motives personal to himself and is using his office as a club. He also charges that the district attorney attempted to influence the grand jury to indict him, and that failing in this he got busy as an attorney for himself and the commissioners, swore to a complaint alleging criminal libel and secured a warrant from a justice court. Mr. Booth was released on bail. Numerous citizens of Tonopah are alleged to have offered their signature to the bond as sureties for his appearance, but this was not necessary, as the bond had already been offered and accepted.

The controversy grows out of the position taken by the Bonanza in relation to official proceedings of the board, and particularly with relation to the closing of certain street or streets connected with the proscribed district of the camp.

People from Tonopah who have visited Goldfield are of the opinion that, regardless of the merits of the original controversy, public sympathy in the camp is with Mr. Booth in the present status of the case.

## INSTITUTE PROGRAM FULL OF INTEREST

(Continued from Page 3)

good to the schools is bound to come of it.

In addition to the instruction in penmanship given at the institutes, arrangements have been made for the teachers to take up a regular correspondence course in this subject with the A. N. Palmer company, and, as opportunity occurs, the work in institutes will be continued.

### Afternoon Session

Called to order by State Supt. at 1:30 and opened by institute singing. Roll call showed 63 present.

State Supt. then gave an informational talk on the new text-books, on sources of school revenue and on school expense and school expenditure; on school growth and progress under state supervision the last seven years.

JOHN McGEE is up from San Francisco.

## THANKSGIVING DAY IN ST. PATRICK'S CHURCH

It is a source of great satisfaction to every devout Christian that the chief executive of the nation, as well as the governors of the states, once a year invites the people of the United States to return thanks to God for His blessings to the country. Gratitude to God is a most acceptable form of prayer, while no vice is more hurtful to ourselves, more abhorred by the United States to return thanks to God than unthankfulness. Let, therefore everyone go to his church on Thanksgiving day.

There will be a solemn high mass in St. Patrick's church at 9 a. m. The choir, under the able direction of Prof. Knause will sing Rosewig's First Mass in G. The sermon will be on Thanksgiving.

REV. J. DISS, Pastor.

## THANKSGIVING AT EPISCOPAL CHURCH

There will be a union service in the Episcopal church tomorrow morning at 10:30. Rev. Percival Smith of Las Vegas, will be present and preach the sermon.

The original purport of this day was that it should be a season of Thanksgiving to Jehovah, for the countless blessings bestowed during the preceding year.

The governor of this state has declared tomorrow a national holiday and requests that the people of Nevada observe the day as a holiday devoted to giving thanks to a kind Providence who has vouchsafed to us peace, contentment and prosperity in the fullest measure during the past year. Let us, of Tonopah, show our gratitude to the Most High by assembling ourselves in the place and at the time appointed for this service.

REV. R. W. BAYLESS

### TENTH ANNUAL BALL

The Knights of Pythias will give their tenth annual ball tomorrow night in the Airdome. This promises to be one of the big social events of the year. A large attendance is expected. The Goldfield high school football team will be guests of honor and other Goldfield people will be present probably including the uniform rank.

### CARD OF THANKS

We desire to thank our many friends and fraternal orders for their beautiful floral offerings and loving sympathy in our late bereavement in the loss of our loving husband and father.

MRS. WM. McDONALD and Family

—Adv. N2411

### BARBER SHOPS CLOSING

## AMUSEMENTS

### BUTLER THEATRE

The program at the Butler this evening will not only consist of pictures, but will include three big acts furnished by the Tonopah high school students, the theater having been turned over to the school for this big benefit show in the interest of the school athletics.

The picture program will consist of a Pathe cartoon comedy which is always enjoyed by both the old and young alike, and a three-reel Broadway Star Feature, with one of the Vitagraph's leading women, Julia Swayne Gordon, in the stellar role. The vaudeville part of the program will consist of a skirt dance executed by the Misses Dilworths in pretty costumes, and the dainty manner in which they introduce the many graceful little steps will show that they have successfully mastered the art. The next number will be "The Opera," a burlesque duet made famous by De Wolf Hopper and Lillian Russell, presented by Miss Irma Folts and Mr. Tom Walker, and the manner in which they "put this over" will be worth the price of admission alone. The next number will be a little playlet in one act entitled "A New Bonnet," a comedy of intrigue, jealousy, scrap and make-up, and Miss Hickok, who has worked hard in his production, is deserving of the highest praise as it is no easy task. The cast is made up as follows:

Mr. Frisk, John Cuddy; Mrs. Frisk, Helen Mitchell; Mrs. Everham, Loretta Walsh; Emily, Louise Dilworth; Mr. Desert, Joe Murphy; Miss Debonaire, Garcella Roundtree. It will be a fine program from start to finish. There will be the regular two shows given—the first at 7 and the second at 8:30; there will be lots of fun, lots of noise, and everyone is invited to be on hand to participate in both, and assist in boosting the game along, and don't forget the big football game tomorrow between the high schools of Goldfield and Tonopah.

### WILLOW CREEK IMPROVES

Another sensational strike was made during the week on the property of the Willow Creek Gold Mining company, which is now under the control of Salt Lake capital. The strike was made in what is known as the Ray and Rickert shaft at a depth of 61 feet in a cross-cut. The management is now satisfied that it has the ledge in place. A sample taken across the three foot ledge was brought in and ran \$5.64. Arrangements have been made to erect a mill on the property as the showing is now ample to warrant the outlay.—White Pine News.
